Resident Managers

We have found that our tenants enjoy having Resident Managers at our properties. Their responsibilities include being the liaison between tenant and maintenance when the office is closed. RM duties also include walking the property daily to maintain its beauty and ensure that pet owners are being responsible so not to affect the non-pet owner's quality of life. RM's ensure laundry rooms are clean and any issues are reported immediately. Sweep and vacuum open stairwells, broom front of buildings, pick-up trash etc.
